

4-39-303 Importation of domesticated elk.

- (1) A person may not import domesticated elk into the state for use in domesticated elk facilities without first obtaining:
 - (a) an entry permit from the state veterinarian's office; and
 - (b) a domesticated elk facility license from the department.
- (2) The entry permit shall include the following information and certificates:
 - (a) a health certificate with an indication of the current health status;
 - (b) proof of genetic purity as required in Section 4-39-301;
 - (c) the name and address of the consignor and consignee;
 - (d) proof that the elk are tuberculosis and brucellosis free;
 - (e) the origin of shipment;
 - (f) the final destination;
 - (g) the total number of animals in the shipment; and
 - (h) any other information required by the state veterinarian's office or the department.
- (3) No domesticated elk will be allowed into the state that originates east of the 100 degree meridian, to prevent introduction of the meningeal worm.
